ABBA'S HOUSE

Setting A Course to the New Normal

COVID 19 has shaken up how we connect, shop, and interact. We have an opportunity to adapt to a more digital way of being while keeping our physical campus open.

At Abba's House, our focus on the digital worship experience and our online campus isn't going anywhere. Yet, it is a new day! On May 17, we will open up our physical campus to give you an option for Sunday morning worship.

Phase 1

Begins May 17 with Family Worship in the Auditorium at 10:30am.

Phase 2

Begins June 14 with some LifeGroups returning to the Hixson Campus while others will continue to connect digitally.

Phase 3

Begins August 9 with service options in the Auditorium at 9:00 and 10:30am.

What does Phase 1 look like?

- Seating will be arranged to maintain 6 ft distance between families
- We will wave instead of hug or shake hands
- Things will be sanitized according to CDC guidelines
- Water fountains will not be available for use
- The bookstore will be open and will be following current restaurant guidelines
- We encourage you to wear your own mask (We will have some for those who do not have one)
- Wash your hands often
- We also encourage those who are vulnerable to stay home and join us digitally
- Groups will continue to meet online during this first phase
- Wednesday's Midweek Momentum will remain online
- AH Student Wednesday night service will remain online

We love you, and we can't wait to see you when you are ready. At our Hixson Pike campus or at our online campus, Abba's House will always be the place where you can live free and fully alive!

What does Phase 2 look like?

- Groups will meet online and on campus during this phase

We are excited about where we are going. At this point we have adapted our present situation to your needs but we are really looking forward to the next phase . . .
